Naviance Student is a comprehensive website that you and your student can use to help in making decisions about courses, colleges, and careers. Naviance Student will allow you and your student to:

**Get involved in the planning & advising process:**

Build a resume, complete online surveys related to college and career planning, and manage timelines, deadlines, and application materials during the college admissions process.

**Research colleges:** Compare GPA, standardized test scores, and other statistics to actual historical data from our school for students who have applied and been admitted in the past.

**Sign-up for College Visits:** Find out which colleges are visiting our school and sign-up to attend those sessions.

Naviance Student also allows us to share information with you and your student regarding upcoming meetings and events, local scholarship opportunities, summer enrichment programs, and other web resources for college and career information. In addition, the site includes a “Contact Us” link that your child can use to send their assigned counselor an email message.
