

# NEW STUDENT Referral Program

The highest compliment our parents can give is the referral of a new family or friend to Orange Lutheran. As a small thank you, we are excited to introduce a pilot New Student Referral Program.

Under this new program, eligible Orange Lutheran families will receive a \$250 tuition credit for each new student referred and enrolled. In this pilot, families with an enrolled student in the Class of 2021 - 2025 are eligible.

## The following terms and conditions apply to the Orange Lutheran High School New Student Referral Program:

- Referred families must be new to Orange Lutheran and may not be a former or returning family.
- The referred family must reference the referring party as part of their application for admission.
- The referred student may not be a family member or reside in the same household as the referring family.
- The referring family must be a current OLu or incoming freshman family/guardian to receive the tuition credit.
- To receive tuition credits, referrals must be made via the designated [NEW STUDENT REFERRAL FORM](#) prior to the enrollment of the referred student.
- Tuition credits may not be shared or allocated to more than one family account.
- Tuition credits will be applied to the referring family after 4 weeks of enrollment for the referred student.
- Referral of a full-time online student is not eligible for this program.
- This program is offered as a pilot commencing January 4, 2021 and concluding July 31, 2021. All new family applications and referrals must be received by OLu within the dates detailed above using the [NEW STUDENT REFERRAL FORM](#).
- At any time, these terms and conditions are subject to change at the sole discretion of the administration of OLu.
